Board of Directors – Nomination Form.

**AGM: 25 April 2017**

Each nominee is asked to provide a supporting statement (maximum 200 words) covering the experience, knowledge and skills the nominee would bring to the Board – please see additional information provided as background/context. **Please attach the supporting statement to this form or complete the expandable box below for electronic submissions.**

**Supporting Statement** My earliest memory from Raincliffe is from when I was around 4-5 years old, when my parents took me up there one Winter whilst it was snowing, I've never forgotten that moment and I've been using the woods ever since, I'm usually on my bike, running or walking, Throughout the year I go into the woods weekly and during the Summer months it's more likely to be daily. I feel very passionately about everything regarding the woods, about the people Who use it (and those who abuse it) I care for the woods now and for what happens to it in the future. I would like to be involved in shaping Raincliffe and Forge Valley woods now, and for future generations.

I've been involved with a couple of the volunteer dig days and some of the tree planting too. I help sort drainage out on the footpaths and trails yearly, yet again it's generally through the wetter months, this is purely down to my own commitment to the woods being usable..
